

HDAA Membership Benefits for Diagnostic Imaging Accreditation

Enrol with HDAA for Diagnostic Imaging Accreditation and your practice automatically becomes a member of HDAA.

HDAA Membership is to 30 June 2013 and provides support and audit activity so that your practice becomes fully accredited. The membership fee is comprised of low cost annual payments.

With HDAA membership your practice has access to expert technical phone support and all relevant information to help your accreditation. Membership includes all costs of your audit and also provides you with the following benefits.

Benefits of HDAA Membership

HDAA membership provides your practice with full support and relevant information right through and into the Maintenance Cycle. Membership provides your practice with:

- Straightforward enrolment and application using the HDAA onTrack system at www.hdaau.com.au
- Low cost annual membership fees over the accreditation cycle.
- No cost for administration, registration and application.
- An informative audit report.
- Reminders of important dates
- Secure management of your practice profile and details
- A HDAA Accreditation Certificate
- Updates of accreditation requirements and developments.
- Promotion of your accredited practice on the HDAA website
- No cost to update your practice details
- Ongoing full access to accreditation support.
