

## HDAA Membership Fees for Stage II Accreditation

HDAA Memberships is the cost off full accreditation annualised over the duration of the practice membership and due in full before 30 June 2013. Membership includes all fees associated with registration, enrolment, application, and accreditation and updating of changes to your practice details.

For practices joining the Accreditation Scheme prior to May 2011 the HDAA Membership period is for three years and comprised of three low cost annual payments as shown in Table 1 below.

For practices joining the Accreditation Scheme between 1 May 2011 and 1 May 2012 the HDAA Membership period is for two years and comprised of two low cost annual payments as shown in Table 1 below.

All HDAA Membership fees are paid annually and the fee is based on the number of imaging practitioners at the LSPN site. An imaging practitioner is a full or part time: (i) medical practitioner; or (ii) any other practitioner operating diagnostic imaging equipment.
