

## HDAA Membership Benefits for Diagnostic Imaging Accreditation

Enroll with HDAA for Diagnostic Imaging Accreditation and your practice automatically becomes a member of HDAA.

HDAA Membership is for three years and provides support and audit activity so that your practice becomes fully accredited. The membership fee is comprised of three low cost annual payments.

With HDAA membership, your practice has access to expert technical phone support and all relevant information to help with your accreditation. Membership includes all costs of your audit and also provides you with the following benefits.

### Benefits of HDAA Membership

HDAA membership provides your practice with full support and relevant information right through and into the Maintenance Cycle. It provides your practice with:

- **Straightforward enrolment** and application using the HDAA onTrack system at [www.hdaau.com.au](http://www.hdaau.com.au).
- **Low cost annual membership** fees over the three year cycle.
- **No cost** for administration of registration and application.
- An **informative audit report**.
- **Reminders of important dates** and accreditation requirements.
- **Secure management** of your practice profile.
- A **HDAA Accreditation Certificate**.
- **Promotion of your accredited practice** on the HDAA website.
- **No cost to update** your practice details.
- Ongoing **full access to accreditation support**.
