

HDAA Membership Fees for Stage II Accreditation

HDAA Membership is for three years and provides support and audit activity so that your practice becomes fully accredited. The membership fee is comprised of three low cost annual payments.

HDAA membership includes all costs associated with Registration, Application, Accreditation and updating or changing of your practice and business details.

Your annual membership fee is based on the number of imaging practitioners at the LSPN site. An imaging practitioner is a full or part time: (i) medical practitioner; or (ii) any other practitioner operating diagnostic imaging equipment.
