

Fee Schedule

for Accreditation of Diagnostic Imaging Practices - Stage 1

Stage 1

Diagnostic imaging practices only pay one fee when they register and apply with HDAAU. We will only charge you for the cost of the desk-top audit and these costs are capped to a maximum fee.

There are no hidden fees for registration, application, audit-reconsideration or membership.

Legislation stipulates that accredited practices are to inform HDAAU of any of the following changes to business.

A fee based on the hourly rate of \$168 will be charged for time providing the required additional audit services.

- Change of ownership;
- Change of address/premises;
- Change in key imaging personnel where licence and registration information requires updating;
- Change in imaging equipment;
- Adding in any sites or additional modalities.

Accreditation - Audit Fee

The desk-top audit fee is \$168 (including GST) per hour and so that there are no nasty surprises, the following maximum costs will not be exceeded:

Category of Practice Site	Modalities	Maximum Cost (GST Inclusive)
Small practice sites consisting of no more than 2 imaging practitioners.	Ultrasound only (non-ionising radiation equipment)	\$252
	X-ray only (ionising radiation equipment)	
	More than one modality	
Medium practice sites consisting of no more than 5 imaging practitioners.	Ultrasound only (non-ionising radiation equipment)	\$462
	X-ray only (ionising radiation equipment)	
	More than one modality	\$588
Large practice sites consisting 6 or more imaging practitioners.	Ultrasound only (non-ionising radiation equipment)	\$462
	X-ray only (ionising radiation equipment)	
Large comprehensive practice sites.	All modalities	\$882
